Access to data is only available in 3G areas please check [www.startel.net.au](http://www.startel.net.au) for coverage information. An excess usage charge of \$0.12 per megabyte (1 MB = 1024Kb) will take affect once the cap limit per rate plan has been reached. Your service may be restricted once you reach a Credit Safety Cap  
Software Requirements: You must have Microsoft Windows 2000, Windows XP, or Microsoft Vista operating systems to connect to the service. Limited Macintosh OS support  
When overseas, International Data Roaming usage charges apply as extra (for charges refer to [www.optus.com.au/international](http://www.optus.com.au/international) under 'GPRS' roaming section) Some data cards are incompatible with networks in some countries. Please refer to list of countries Optus supports on [www.optus.com.au/international](http://www.optus.com.au/international)  
Subject to your rights under the Trade Practices Act, Startel does not make any warranty regarding the software of data provided to you as it operates on your computer and interacts with your other applications. Acceptable Usage Policy Applies - please see [www.startel.net.au](http://www.startel.net.au) for more details  
Voice calls are not advised using the Data SIM as the tariff on these services is \$0.50 per 30 seconds with a \$0.50 flagfall. Your bill will be your Minimum Monthly Commitment versus your account usage - whichever is greater plus any handset payment plans and mobile special calls for that billing month. Your Minimum Monthly Commitment is part of an included calls package which covers all standard call and data types. Acceptable use policy applies for this service. For more information please visit [www.startel.net.au](http://www.startel.net.au) or call 1300 13 STAR (1300 13 7827).
